

# DAYDREAMER

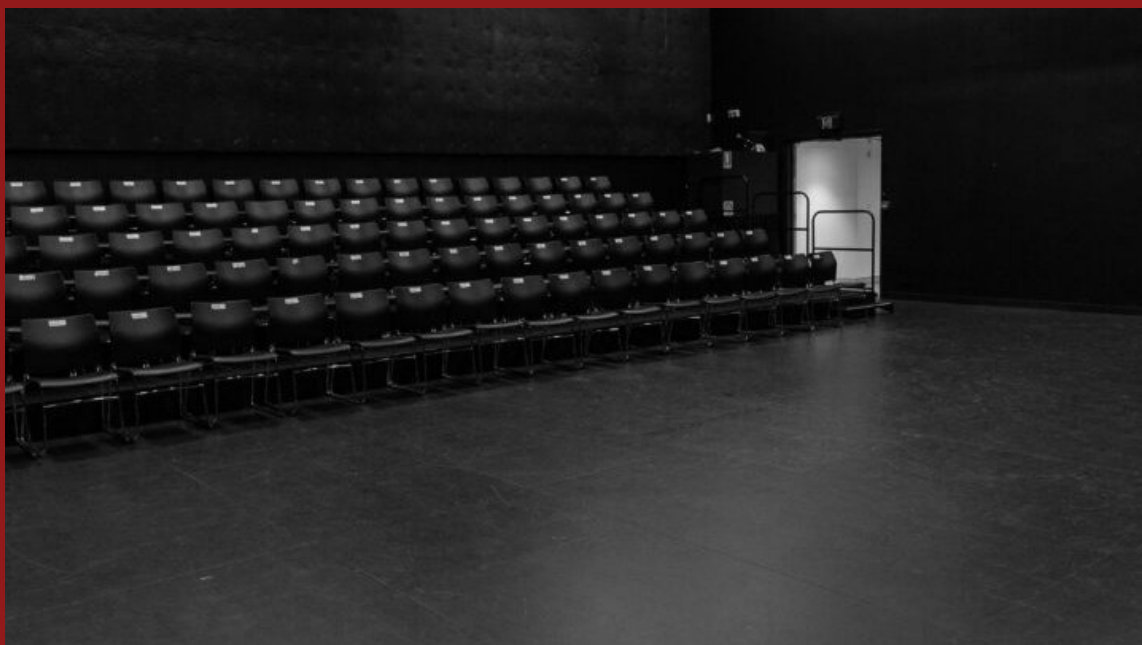

VISUAL STORY

The Travelling Rose Theatre  
Company

Created by Eden Carnell-Hungerford  
Stage Manager

When the doors to the theatre open, an usher will check my tickets. I can find my seat by looking at my ticket which will have a row and seat number. There will be an usher inside the theatre to help if I need it.

This is what the Diane Cilento Studio looks like. I will sit in a seat to watch the show and get to sit with my family or friends. There may be people that I don't know sitting beside me.

This is Caleb. He  
is playing the  
Narrator.

This is Alla. She  
is part of the  
Chorus.

This is Harry. He  
is part of the  
Chorus.

This is JJ. He is  
part of the  
Chorus.

The play will start once the lights go down.

Sometimes during the show there will be moments that are loud, scary, or sad. I have to remember that the actors are performing. What is happening on stage is not real.

At the end of the show, I can clap with the rest of the audience to show my appreciation and entertainment.

Once the show is finished, the lights will turn on and I will leave the venue.
